Buyer(s) named above hereby agree to purchase and Breeder agrees to sell the dog described above for the sum of \$1200 under the following terms and conditions:

**Initial Health Exam:** Buyer(s) have 72 hours in which to take this puppy to the veterinarian of his/her/their choice at Buyer(s) expense, and will receive a full refund if he/she/they do not find this puppy as represented, provided the puppy is returned in the same condition as at the time of purchase.

**Registration:** The Buyer understands that this puppy is being sold on AKC Limited registration. The Buyer understands that Limited registration means that any puppies whelped or sired by this dog while it is under Limited registration are **not registerable**. That is the only difference between Full and Limited registration, and the dog may still compete in AKC hunting tests, Field Trials, and any other performance events (excluding conformation). The Breeder will sign the form that switches the registration over to Full (any fees required by the AKC are paid by the Buyer) if the following requirements are met: the dog is at least 2 years of age, has a scissors or level bite, has a passing OFA certification or equivalent PennHIP rating, and has been ACVO cleared between the age of 2 and 3 years (or later).

**Health & Maintenance:** This dog has been sold with the agreement that it is to be kept as a companion animal, not a yard dog chained out of doors. This dog will be given adequate and proper shade and housing during periods outside. This dog will not be allowed to run loose, regardless of leash laws in the Buyer's local area. He will be kept current on all immunizations and will receive adequate veterinary care as needed, including heartworm preventative. He will be fed a high quality dog food, and will not be allowed to become obese or kept badly underweight. He will not be road worked or taken on long "jogs" prior to the age of two years; Buyer understands that walking on lead or free exercise in a fenced enclosure will be safer for his bone development.

**Buyer's Duty to Inform:** To assist the Breeder in maintaining a breeding program that produces healthy, good quality animals, Buyer(s) agree to provide feedback to the Breeder on the outcome of any of the following items: any AKC title earned by this dog, any veterinary hip conformation evaluation, any eye examination by a veterinary

ophthalmologist, any heart evaluations, any autoimmune problems diagnosed by a veterinary professional, and any temperament issues that are of concern to the owners. The Breeder welcomes any additional information regarding this dog that Buyer(s) care(s) to provide that is not otherwise required above.

**Breeder's Guarantees:** Should this dog become unable to function as a pet due to crippling hip dysplasia as confirmed by an OFA report of severe dysplasia, or blindness caused by progressive retinal atrophy as confirmed by a board certified canine ophthalmologist, the Breeder agrees to replace the dog with another of equal value or, at the Breeder's option, to refund the purchase price of the dog. This guarantee will remain valid until the dog reaches four years of age. The Breeder must be promptly notified of such problem and agree in writing prior to Buyer euthanating the dog for one of the aforementioned problems or this guarantee will not be honored.

**Registered Name of Dog:** When registered with the American Kennel Club (AKC), this dog must carry the kennel name "Lighthouse" as a prefix.

**Evaluation & Training Package:** You will receive a fifteen percent discount on any one kennel service. This could be a private session (\$7.50 value) or a three month training package (\$315 value).

**Temperament:** With respect to the issue of temperament, the Buyer(s) hereby acknowledge(s) the importance of proper socialization and training of the dog in the development of a sound temperament. Buyer(s) acknowledge(s) that the Breeder has discussed socialization and puppy training with him/her, and that the Breeder strongly recommends that this puppy be taken to an obedience or puppy agility class or receive equivalent exposure to people and other dogs **outside of the home** prior to the age of 12 months.

**No Financial Responsibility:** Other than the above limited guarantee, the Breeder assumes no financial responsibility or other liability for this dog after it leaves her premises.

**Transfer of Ownership:** If for *any* reason Buyer(s) can no longer keep this dog or provide a proper home for him, the Breeder will be contacted so that she may have the option of buying the dog back or helping to place the dog.

***Buyers hereby agree that failure to honor all conditions of this contract can result in the Breeder reclaiming the dog and registration papers without compensation to the Buyer.***
